MEMORANDUM FOR: Legislative Counsel

SUBJECT: H.R. 6027 - To authorize the withholding from salaries of Government employees of amounts for certain charitable contributions

In response to your request, subject bill has been reviewed for possible interest to CIA activities. It appears that the bill would reduce the Agency work load in the Office of Personnel, but it does not appear from a limited survey conducted by this Office that this method of collecting charitable contributions would be favorably received by most employees. Although no further action is considered necessary by your office, it is requested that this Office be kept informed concerning the progress of the bill.
